USG ELECTIONS NEXT WEEK

WHAT IS USG? -- you ask, and why should I be interested? Because Undergraduate Student Government is YOUR voice in student affairs on the OSU campus in Columbus! USG proposes and implements programs of interest and concern to the student body. It acts as liaison between students and administration and YOUR representative is the link to all these actions. The USG Assembly is a group of 32 students elected each Spring from each college, living area and regional campus. Ohio State Lima has two candidates running for the Lima campus spot. These students are **Kara Otto and Brian Snider**. Elections for the 1994-95 Ohio State Lima representative and for the president and vice president of USG will be held on our campus on Tuesday, April 5 and Wednesday, April 6. All OSU students are asked to vote. Current student government representatives and campaigners for the top USG spots will be on campus on April 5 to answer any questions Lima students may have about USG or USG elections. YOUR VOTE COUNTS!
